

2017-2018 Lion Program Agreement

Lion is a national pilot program of the Boy Scouts of America for kindergarten-age boys. The Mid-America Council has been approved to participate in a second year of the nation-wide pilot of the Lions program. Lions is a family-oriented program, where boys learn and explore through hands-on, high-energy activities. Adult partners take turns leading a den meeting or outing throughout the year. This den is coordinated and led by a Lion Guide, an experienced Cub Scout leader. The largest leading indicator of success for a lion den is having a trained Lion Guide that can provide a quality experience to the new Lion families. For the 2017-2018 Program Year each Cub Scout Pack.

The Cub Scout Pack ____ of the _____ District agrees to:

- The Pack will appoint a Lion Guide and have them attend training either online or in person.
- The Lion Den will meet twice a month using a shared leadership model where each family takes a turn leading a meeting or an activity.
- Treat the Lions program as a true introduction to the Scouting program following all other program guidelines laid out in the Leader Guidebook.

The Mid-America Council agrees to:

- Provide training online and in person for Lion Guides.
- Support the Pack with District and Council activities for lions to participate in.
- Provide recruitment resources targeted towards Lion aged families.
- Provide Support and Guidance through the Commissioner Corps.
